RocYork | Liftoff Hinges

Product Datasheet

Handing - Liftoff Hinges

Check door width and margin requirements prior to installation. Ensure stud opening is square and level.
The door side of the Liftoff hinge must be rebated.

10 RocYork screws are supplies with each hinge.

The part with the pin attached to the frame should point up upon installation.

Features and Benefits

- In areas such as toilets and bathrooms where doors must be removable in case of emergencies, RocYork hinges are ideal and code compliant.
- The hinges allow for removal of a hinged door without having to unscrew the hinges.
- Lift off RocYork hinges are available in brushed stainless steel, matte black, and white for a look with class and style.
- Easy to fit and time saving.
- Recommended for internal use.
